CELEBRATE MAY DAY

FIGHTING FOR A BETTER WORLD

MAY DAY IS INTERNATIONAL WORKERS DAY

We celebrate what was fought for by workers' campaigning over many years – like the NHS, housing for all, good education for all, good pensions – all now under attack by the austerity agenda.

We fight for the interests of the many, against the rich and powerful.
We fight for the unity of young and old, women and men, those of all different ethnic and national backgrounds. We call for equality and social justice.

We stand with workers across the world celebrating May Day.
